

"Create Your Own Jewelry" 3-hour workshop

Interested in creating your own jewelry? Explore your creative side and join Anna van Dijk's jewelry workshop as she inspires you to unleash the artist within.

Anna, of AnnA Jewelry, will teach you about the world of beads, beading techniques, color theory and design. During the workshop, you will experiment with colors, shapes and materials to create your own one-of-a-kind bracelet or ready-to-wear necklace.

Perfect for a group of friends, an organization, a birthday or a farewell party, simply organize 8-12 people for the 3-hour AM, PM, or evening workshop. Held in your home or in Anna's Sathorn home studio, all you need is a large table and an imaginative spirit; AnnA Jewelry will provide the inspiration, instruction, and all of the materials, from beads to accessories and tools.

Price: 1000 baht/person (your home), 1200 baht/person (Anna's home--price includes food and beverage).
